

2015 SUMMER Vocational Skills Training Program

Join other young adults
for a highly enriching &
fun skills based summer
program focusing on the
world of work...

**Serving 18-24 year old Transition Age Youth with
Autism Spectrum Disorder, Learning Challenges
and other Special Needs**

Through individual as well as dynamic group activities, this program will provide:

Comprehensive vocational assessment and the development of core vocational skills. Career exploration and exposure to career opportunities. Training designed to improve job-seeking skills and work-place basic skills. Site visits and job shadowing to explore various work-based activities. Multiple on-the-job training experiences. Social skills building as it pertains to work and work relationships.
