

# BRIDGEPORT SCHOOL CULVER CITY FUN WITH CTE EXPLORATION

July 10th - August 4th  
9:05 AM to 1:35 PM

Join us for an exciting summer filled with learning and fun! Our summer school program offers a variety of opportunities that are designed to engage and inspire students of all ages and skill levels. Students will have an opportunity to explore CTE industry sectors by rotating through Graphic Arts, Agriculture, Construction, & Hospitality. With a focus on hands-on learning and interactive activities, our program is the perfect way to keep your child engaged and learning throughout the summer.

## GRAPHIC ARTS

Let's get the students' creative juices flowing! In this class, students will explore how to design and create their very own T-shirts using the latest technology and a heat press. Whether it's a funky graphic design or a catchy slogan, students will learn how to bring their wildest T-shirt ideas to life! **But that's not all** – students will also get the chance to design logos on mugs using the amazing Cricut Explore Air 2. So, get ready to unleash your inner artist and bring your imagination to life as you design and create your own personalized T-shirts and mugs. Let's get crafting!

## HOSPITALITY

Let your taste buds and passports ready, students! In this exciting class, you'll explore the world of hospitality and discover the endless opportunities it offers. You'll learn the ins and outs of tourism by planning epic trips around the globe, from tropical beaches to bustling cities. And what's a trip without sampling the local cuisine? That's why you'll also get to practice working in food services by preparing mouthwatering dishes from your dream destinations. Get ready to tantalize your taste buds with exotic flavors and discover the secrets of the hospitality industry. Are you hungry for adventure? Let's dive in

## AGRICULTURE

Get ready for the students to put their green thumbs to the test! In this exciting class, students will discover how farming and horticulture have evolved with the power of technology. Students will also have the chance to roll up their sleeves and get their hands dirty in our very own garden and greenhouse. With every seed students plant, they'll witness the magic of nature as it blossoms into a beautiful array of flowers and plants. And the best part? Students will capture all of these stunning moments in their very own photo album, filled with vibrant colors and captivating memories. Let's get ready for the students to cultivate, create, and capture the wonders of nature!

## WATER PLAY

Get ready to make a splash, students! On Friday, Bridgeport Elementary and Middle School students will dive into an epic day of water play activities. From water balloons to wading pools, we've got it all covered! But why stop there when you can experience the ultimate in water play – running through sprinklers! So grab your swimsuits, towels, and sunscreen, and get ready to beat the heat in the most fun way possible. It's time to get wet and wild, students!

## CONSTRUCTION

Are the students ready to unleash their creativity and build their very own dream house, towering skyscrapers, or sturdy bridges? Let their imagination run wild as they experiment with an array of exciting materials like blocks, clay, toothpicks, and cards to bring their ideas to life! Get ready to embark on an adventure of endless possibilities as students explore the world of model-making!

Of course we will ensure that students continue to maintain previously learned skills in functional academics in the areas of reading, writing, and math. Don't miss out on this exciting opportunity to keep your child engaged and learning all summer long!

For current Help Group students, please contact your school's administration office for more info. For new students, please contact The Help Group admissions office at 877-943-5747 or [admissions@thehelpgroup.org](mailto:admissions@thehelpgroup.org).
