SALUTES WARREN DE HAAN ~ A RECORD-BREAKING SUCCESS

Jonathan Firestone and Michael May introduced their friend and colleague Warren, and thanked him for being a true champion for the children of The Help Group.

“Thank you, Warren, for giving of yourself, your family, your friends, your clients and everyone else who stepped up to be part of today,” said Jonathan. “A true man’s worth is not what he earns, but what he gives, and you, Warren, have given so much.”

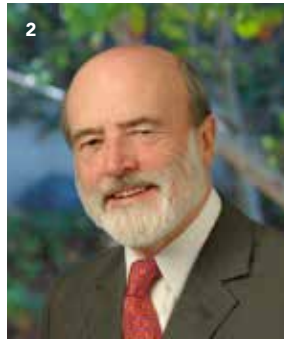

In his acceptance remarks, Warren thanked The Help Group for the honor, as well as his family, friends and colleagues for their tremendous support. “It’s quite remarkable that this is the 25th anniversary of this golf event, and it’s the 41st anniversary of The Help Group,” remarked Warren. “The fact that we were able to raise so much money for this event just goes to show there’s a lot of great people out there, and this is a fantastic cause. Seeing the children sing today, there was hardly a dry eye in the audience - it’s a pretty astounding thing we have going on here.”

Dr. Firestone thanked Warren for having such a special place in his heart for children with special needs and announced the naming of The de Haan Family Science Lab at The Help Group’s new STEM³ Academy in Valley Glen.

At the reception, Dr. Firestone acknowledged Gary H. Carmona, Help Group Board Chair, Judd Swarzman and Howard Tenenbaum, Help Group Board Members, with the *Founders Award*. “This award recognizes your long-standing leadership and dedication to our Golf Classic since the first tournament 25 years ago,” said Dr. Firestone. “Our thanks for all you have done in support of the children throughout the years.”

Our many thanks and appreciation to the de Haan Family, Keyes, Lockton, our chairs, sponsors and donors who helped make the 25th annual Golf Classic an unforgettable hole-in-one for the kids!

ANNUAL HOLIDAY CARNIVAL BRIGHTENS THE SEASON FOR FAMILIES IN NEED

On Saturday, December 10, The Help Group's annual Holiday Carnival made the season extra special for hundreds of children and their families served by The Help Group's Family-Centered Support Programs, Mental and Clinical Programs and Residential Services.

The Sherman Oaks Campus became an enchanted winter wonderland where everyone enjoyed a fun-filled afternoon of games, rides, food, music, arts & crafts, and a special visit with Santa Claus. Hasbro continued their longtime tradition of donating toys and games so that every child could take home a wrapped holiday gift. The sponsors included The Firestone Family, Keyes Automotive, Lasky Family, Monkarsh Family, Ruggieri Family, and Anthony & Jeanne Pritzker Family Foundation along with The Coffee Bean & Tea Leaf® who served hot holiday beverages to add to the festivities.

Our heartfelt thanks to all our sponsors, staff and 120 volunteers for making this such a special day.

DNJ GALLERY HOSTS STUDENT PHOTOGRAPHY EXHIBITION

In September, Pamela Shoenberg generously and graciously hosted a month long exhibition of our Village Glen students, *Inside Out*, at her dnj gallery at Bergamot station. The exhibit kicked off an opening night reception on September 10 for the artists, their families, faculty members and friends, on the evening of Bergamot Station Art Center's Fall Opening.

The photo exhibit showcased a multi-year project aimed at providing the environment, tools and teaching to encourage students to find their creative voice through photography and writing. At the end of each project, student's participated in a collaborative portrait session led by Help Group Senior Clinical Director, Pat Sandler with Help Group Art Educator Dr. Kelly Kotowski. Students like Robert, age 17, would then tell Pat what they thought when looking at themselves.

"A lot of people don't know that I see the universe in another way," Robert said. "I see myself as someone with a lot of untapped potential. I want the world to see the universe the way I see it. I want them to see there is love, courage, potential, heart, soul, spirit and hope. Hope for the future."

"I believe that every child has a voice and it's our job as educators to help them find it," Pat said. "That's what drove me in this project."

This exhibition gave our students an unforgettable opportunity to shine. A special thanks to Pat Sandler, Dr. Kelly Kotowski and Pamela Schoenberg. Our congratulations to all of the students who participated in *Inside Out*.

HELP GROUP STUDENTS TAKE HOME THE GOLD IN SPECIAL OLYMPICS AT CAMPBELL HALL

On October 24, The Help Group’s Bridgeport School teamed up with Special Olympics for an incredible day of sports at Campbell Hall School in North Hollywood. Seventy-seven enthusiastic students from The Help Group played soccer, ran through obstacle courses and participated in a host of other fun activities joined by 125 student volunteers from Campbell Hall.

“My son had a blast! And it was so touching to see the interaction between the Campbell Hall students and our kids,” commented a Help Group parent.

Pamela Clark, Director of Autism Schools at The Help Group, added, “Our students were very proud of their achievements today and

thoroughly enjoyed their time with their Campbell Hall buddies. Campbell Hall welcomed our students with open arms and cheered them on at every event.”

Echoing similar thoughts, Kim Villa, Program Specialist for the Special Olympics Santa Clarita & Tri-Valley Region, said the highlight was seeing the tremendous support the students gave to one another. “I commend The Help Group and Campbell Hall for making this day a success for all the young people here today.”

Our many thanks to Special Olympics, Campbell Hall Headmaster Julian Bull and Campbell Hall 9th Grade Associate Dean Kevin Kelley and all of the volunteers, students, and teachers.
