

School Accountability Report Card Reported Using Data from the 2020–2021 School Year

California Department of Education

For Village Glen School

Address: 13130 Burbank Blvd Sherman Oaks, CA 91401 **Phone:** 818-781-0360

Principal/Head of School: Debbie Boyle

Grade Span: K - 12

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Table 3: School Description and Mission Statement (School Year 2021–2022)

Village Glen School offers comprehensive elementary, middle, and secondary school programs to students with social, communicative, and learning needs. Village Glen School admits students with average to above average cognitive abilities who exhibit challenges in the areas of socialization and peer relations, pragmatic language/nonverbal communication skills, and academic performance. The majority of students at the school are diagnosed with High-Functioning Autism or PDD-NOS (pervasive developmental disorder not otherwise specified). Students may also be admitted with dual-eligibility or multiple diagnoses. Many students have co-morbid conditions such as attention deficit hyperactivity disorder, emotional disturbance, learning disabilities, or may be classified as other health impaired. Additional services provided by the school for students who are eligible to receive them are: speech and language, counseling, occupational therapy, and door-to-door transportation.

Due to its location within the boundaries of Los Angeles Unified School District (LAUSD), Village Glen School follows the scope and sequence of classes mandated by LAUSD, as well as the California State Frameworks. Village Glen School adopts programs and textbooks that have been approved by the state of California and are in compliance with the Williams Legislation. Village Glen School is a certified nonpublic school by the California State Department of Education and is accredited by the Western Association of Schools and Colleges. The school offers college preparatory classes, AP courses, and a range of elective courses including many arts, humanities, and STEM courses. In addition to providing grade-level curriculum and leveraging technology, Village Glen School provides intervention and remedial courses in the areas

of reading, writing, and math. Village Glen teachers are highly qualified to teach students with mild/moderate disabilities. Village Glen High School has a thriving sports program and is a member of the California Interscholastic Federation.

Village Glen School Mission Statement

The mission of Village Glen School is to guide and support students on the Autism Spectrum and others with special needs in reaching their full potential socially, communicatively, and academically. Village Glen School adheres to the belief that students should experience the joy of learning as a lifelong process and develop unique talents and skills in preparation for their future goals. We seek to inspire students to become creative thinkers, committed and independent citizens, and compassionate, self-reliant individuals through partnerships with parents, the school, and the community.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Table 6: Teacher Preparation and Placement (School Year 2020–2021)

Total Teaching Positions	17	100%	N/A	N/A	N/A	N/A

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
 2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
 3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
- **SARC Reporting in the 2020–2021 School Year Only**
Where the most viable option, LEAs were required to administer the statewide summative assessments for ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:
 - Aligned with CA CCSS for ELA and mathematics;
 - Available to students in grades 3 through 8, and grade 11; and
 - Uniformly administered across a grade, grade span, school, or district to all eligible students.
 - **Options:** Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:
 - Smarter Balanced ELA and mathematics summative assessments;

- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.
- **College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**Table 14: CAASPP Test Results in ELA and Mathematics for All Students
Grades Three through Eight and Grade Eleven taking and completing a state-
administered assessment
Percentage of Students Meeting or Exceeding the State Standard**

Subject	School 2019– 2020	School 2020– 2021	District 2019– 2020	District 2020– 2021	State 2019– 2020	State 2020– 2021
English Language Arts/Literacy (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A
Mathematics (grades 3-8 and 11)	N/A	N/A	N/A	N/A	N/A	N/A

Note: The 2019–2020 data cells with N/A values indicate that the 2019–2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019–2020 school year.

Note: The 2020–2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020–2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020–2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020–2021 school year to other school years.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site

Table 25: Opportunities for Parental Involvement (School Year 2021–2022)

Village Glen School has a dedicated parent association that generously contributes time and effort to enhance all aspects of the school program. The parent association organizes fundraisers such as the annual book fair and annual gift sales. The monies raised from these activities directly support co-curricular and extracurricular activities, including athletic programs and library resources. Through the Annual Giving Campaign, Village Glen parents donate funds that are earmarked for special projects that enhance the school's curricular and technological resources.

Additionally, Village Glen School continues its efforts to provide opportunities for families to engage in social events that build a sense of community amongst stakeholders and that further support the social needs of students.

Parent education opportunities are also available, including an annual cyber-education seminar and monthly parent support groups.

State Priority: Pupil Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Expulsions	2	0	N/A	N/A	N/A	N/A

Note: Data collected during the 2020–21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Note: The 2019–2020 suspensions and expulsions rate data are not comparable to other year data because the 2019–2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019–2020 school year compared to other school years.

Table 32: School Safety Plan (School Year 2021–2022)

Village Glen School makes every effort to provide a safe environment for learning. Students participate in emergency drills held on a monthly basis for earthquake and fire preparedness. All staff receive mandatory yearly training regarding Child Abuse Reporting, Sexual Harassment, Prejudice, Diversity, Blood-Borne Pathogens, and Behavioral Management. The Safety Committee meets monthly to discuss concerns and correct safety issues. Earthquake supplies are available on site. Staff members practice emergency drills and are assigned to stations such as triage, search and rescue, and first aid. The front gate is kept locked and visitors are required to contact the front office to enter the premises. Teachers are aware of lock-down procedures and procedures for requesting immediate assistance.

Addendum

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC Web Application as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC Web Application. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
